Non-UK Bank Accounts – Employee Instruction

If you do not have a UK bank account, we could however make international payments. You may want to check with your local bank if it could accept International Telegraphic Transfer payments. These are also sometimes known as Wire Transfer payments.

To do this you may need to supply us with additional bank details, such as an IBAN (International Bank Account Number) and Swift Code. Please visit your Bank for further assistance.

Please sign & date this form before sending it to us.

To the best of my knowledge and belief, the details I have given on this form are correct and complete.
